

Regardless of the game being played at the UPMC Mario Lemieux Sports Complex, a host of events will be right here in the community. The LOC will also be releasing information shortly about how you can own official Belle Vernon Kraft Hockeyville™ USA 2017 Merchandise!

**Please remember that the LOC has been working to give our families, our players, and our community a once in a lifetime celebration. It should be understood that some events are ticketed and some events will use certain players and certain teams. It is impossible to afford every player, family member, and community folks the opportunity to take part in everything. We ask for your corporation and support!
**

Timeline of events that have been released:

Wednesday, September 6, 2017
